

Request for Industrial and Commercial Single and Multi Utility Quotation

Developer Details:				
Developer Name:				
Developer Address:				
Contact Tel No:			Mobile:	
Contact Name:			Position:	
Site Agent (if known):				
Site Name & Address:			Connections Required (please tick as appropriate)	
			Elec <input type="checkbox"/>	Gas <input type="checkbox"/>

Type of Quotation Required (please tick)	Formal	Budget/Feasibility	N.B. A budget/feasibility quotation will only offer an estimated cost per plot and should not be relied on for an accurate final project costing.
	<input type="checkbox"/>	<input type="checkbox"/>	
Information required			Reason Required
Scaled Site Layout	<input type="checkbox"/>	N/A	Must have approved site layout before quotation possible and to prevent both re-applying for information and re-designs incurring further costs
Site Location Plan (A-Z type showing site in relation to landmark)	<input type="checkbox"/>	<input type="checkbox"/>	For the purpose of locating your site on asset owners' records ensuring correct, up to date existing cables are identified
Marked location of site cabin & temporary supplies (if applicable)	<input type="checkbox"/>	N/A	To incorporate in the design & costing
Meter Positions (marked plan showing gas & elec positions)	<input type="checkbox"/>	N/A	To incorporate in the design & costing
Completed Risk Assessment Form & Site Investigation Documents (Multi utility only)	<input type="checkbox"/>	N/A	To determine if PE barrier pipe and/or sterile trench are required in design
Road Adoption Drawings (if available)	<input type="checkbox"/>	N/A	To assess wayleaves requirements
Development phasing details (if known & if applicable)	<input type="checkbox"/>	N/A	To incorporate in the design & costing
Landlord Supply Load & Phase Details (if applicable)	<input type="checkbox"/>	N/A	To incorporate in the design & costing
Lift Starting & Running Currents *see overleaf	<input type="checkbox"/>	N/A	To incorporate in the design & costing
Future build details or possible extensions to development	<input type="checkbox"/>	N/A	To allow adequate capacity in future
Pre-tender Health & Safety Documents/Plan (requirement of CDM regulations)	<input type="checkbox"/>	N/A	To comply with internal health & safety requirements as laid down by CDM Regulations

Support Information Drawings	Title:	Number:		
If necessary, please append a list of additional drawings. Please state here the total number of drawings supplied:				
<input type="text"/>				

Lighting
Total Installed Lighting Load (kW)
<div style="border: 1px solid black; width: 200px; height: 40px; margin: 0 auto;"></div>

Load per unit (no. phases)

Lift, Pumps & Fans	Item (Lift 1, Lift 2, Pump 1, Pump 2, Fan 1, Fan 2 etc)				
Motor Rating (kW)					
Voltage (V)					
Full Load Current per phase (A)					
Starting method (DOL/Start-Delta/Soft Start)					
Starting Current per phase (A)					
Starting Frequency (Starts per hour)					
3 phase or single phase (please tick)	3 <input type="checkbox"/>	1 <input type="checkbox"/>			

Temporary Electric Supply	1 phase temp. supply	kW
	3 phase temp. supply	kW

N.B. ONLY COMPLETE THIS SECTION IF YOU HAVE ELECTRIC HEATING

Heating	
Type (Panel/Storage)	
Manufacturer	
Tariff (Restricted or Off Peak)	
Total Installed Heating Load (kW)	

Please note: This form must be completed in full, please insert N/A in those sections which do not apply to this specific application. **All required documents must be received before the quotation can be processed.**
